

Problem-Solving Styles

Innovative *(aligned with Controlling and Outgoing Leadership Styles)*

- Inventive, Non-linear thinking
- Big Picture: not detailed oriented
- Follows hunches
- Seeks change & new ways
- May accept solutions without scrutiny

Systematic *(aligned with Exacting and Supportive Leadership Styles)*

- Organized, Linear thinkers
- Detailed oriented
- Demands accuracy
- Straight-forward logic; one activity at a time
- May get “analysis paralysis”
- Cautious of new ideas
